After passing our rigorous checks at every stage of manufacturing, each Dunoon mug receives our label of quality and craftsmanship

Our custom-printing service gives you the opportunity to commission your own unique mugs. Ideal as company-promotional and gift items, or as souvenirs and commemorations, Dunoon custom-made mugs can be produced on all our standard Fine Bone China shapes.

Our minimum order is 360 pcs per design (+/- 10% ex-kiln) and prices are dependent on artwork. Please contact us for artwork requirements or alternatively we have a Design Team that can produce artwork specifically to your brief.

On receipt of the artwork we would be able to give you a firm quotation. Once we have confirmed the price and have your written acceptance to proceed, we would then produce a 'cold-water' mock up sample mug for your approval before progressing to a ceramic proof.

Lead times on 'specially-printed mugs' from receipt of order to despatch of the order would be approximately 10 weeks. (If we need to go to 2nd, 3rd or even 4th proof sample before unconditional approval is received, this would add to the lead time).
